Principal's Corner:

I love this time of year! People seems to be more thoughtful, engaged, and kind. We are excited to celebrate the service of our Veteran's next Wednesday, please invite all you know and join us and songs, food, and friends.

We are working on expanding our services north. We have opened our small preschool and tutoring site in Longview and are looking for a larger building in the Woodland area to open another full-service location. With this, we have developed an new website and Google Ad page, thanks Elliot Ross for all your help with this, and I would like to ask all of you if you could go onto Google and give us a 5 star rating. This boosts us so when someone searches we come up first. We would greatly appreciate it. Thanks!

–Ms. Teresa

Student of the Month

We would like to recognize **Remi** from the Tiger Shark class and **Callie** from the Dragon class for being outstanding students. They have shown kindness that exceeds friendship, diligence in their academics, and perseverance with challenges. They go above and beyond to accomplish the task at hand and always do their best work. Keep it up girls, you are amazing examples to all.
Ms. Teresa

Veteran's Day

Come join us for our 6th Annual Celebration of our Vets

Wednesday, November 11th
Sitting starts at noon, program starts at 12:30
Seating provided for our Vets, Everyone else bring your own chair.
Program will be about an hour long, Frank's Smokin' Barbecue will provide lunch for our Vets, all others welcome to purchase food after the Vets have been served.
Students can leave with family after program, dismissal will be done according to class, so please be patient as the safety of the kids is our number one priority.
Thanks, and hope to see you there!
Ms. Teresa and staff.

Turtles…
Turtle Families…welcome to a new month! I want to thank you all for the goodies that were brought for our Halloween party, the kids loved it! I hope everyone is ready now for the Holiday Season! We are doing some great work in our class and I'm looking forward to assessments this month. We have been working hard and are ready to show what we know! We added a new student, Prana to our class and we are working hard for our Veteran's Concert on the 11th. We hope to see you all there. Thank you for your support in and out of the classroom!
See you around!–Ms. Amanda

Dragonflies…
Hello from the dragonfly classroom! We have been practicing our Veteran's Day songs and we look forward to seeing you at our celebration. We have been working really hard on writing our names and it's so exciting to see the students set their mind to try, even just the first letter. We are celebrating each step! Have a happy November!–Ms. Cara

News from STS
Congratulations to **Bailee**! She recently passed Book 3 in tutoring and we are so proud of her hard work!–Ms. Maci

Dragons…
We have been working hard this session. Our new Dragons have settled right in as if they'd been here since Preschool. It always amazes me how kind and accepting our kids are of one another. They help me have faith in our future. Just wanted to say thanks for raising such remarkable young people and we appreciate and enjoy the opportunity to be part of their learning and growth. We have seen several of them step up and start recognizing their potential, with this we'd like to shout out to Tristyn (11th grade), Callie (6th grade), Vanson (8th Grade), and Jonathan & Brodie for coming in mid-session from the Great White Shark class and taking on the higher learning challenge. Keep it up Dragons, we are over halfway there.
–Ms. T & Mr. C

Tiger Sharks…
Happy Fall Tiger Shark families! We are having an amazing Fall Session! We have finished our animal habitats unit and we are now learning about phases of the moon! Ask your Tiger Shark all about it and ask to see the little book we made. We have been practicing our songs for Veteran's Day and they are sounding terrific! We can't wait to see you at the Veteran's Assembly! Hope to see you then!–Ms. Mel

Great White Sharks…
This month, the Great White Sharks finished their science unit on Adaptations and started learning about Food Chains. We are continuing to work on learning about the original 13 colonies in Social Studies. We are all incredibly excited to welcome Ms. Kara and Ayla back to the class and to be here on Veteran's Day! —Ms. Maci
