Principal's Corner:

What a great month July turned out to be. Started off celebrating our Nation's Independence and wrapped up with La Center "Our Days" Parade. We have so enjoyed our Summer Friends from other schools, we only have a couple more weeks together. We hope you all have a wonderful school year and know you will be missed...until we meet again next Summer Session. Don't forget to join us for our Veterans Day Celebration Nov. 11th, and Winter Wonderland in December. We are hoping to have an August street dance and of course our Winter Wizard of Oz program in Oct/Nov. We are launching a new Website, all appreciation goes to Elliot and Sara Ross, which will have current event updates, so look there and join us.

—Ms. Teresa

Library Reminders

Please help your child return their books back to school in their blue bag. New check out can happen only if books and bag are returned.

Summer Library Days are:

Turtles-Tuesday
Dragonflies-Thursday
Thank you!

General Reminders

Safety Reminder: Please do not send glass containers of any kind to school. These are a hazard if they break.

We are outside as much as possible in Summer Session. Please be sure your child comes every day with a water bottle. **If skirts/dresses are being worn; please have your child wear shorts underneath.**

Please be mindful in the parking lot. We have a lot of people and lots of movement happening during pickup and dropoff. Please slow down and watch for all these precious bodies.

Thank you!

- *August 24-28: Assessments
- *August 31-September 4: Spirit Week
- *August 31-Volcano Day
- *September 4: Last Day of Summer Session
- *September 7-11: Break Week
CLOSED Monday for all Services
All Day Sunset Available
\$50/Day 8th-11th only
- *September 14: Fall Session Begins
School Assembly

News from STS

Congratulations to **Maya McCarty** for passing Book 3! Maya started tutoring with Ms. Kylie in March and has done an amazing job with single syllable words. She will soon start working with multi-syllable words and their spelling rules. Keep up the great work Maya!

The SuperStar Typer for this month is...**Julian Espana**! Julian passed the Advanced portion of our typing program in April but continues to practice his skills. This practice is helping him achieve a higher words typed per minute score. Congratulations Julian!—Ms. Maci

Turtles...

Hello Turtle families! We have had a great Summer so far! Our new friends have settled in nicely and we are learning and having so much fun. We have a new friend joining us soon, Evelyn. We will continue to get outside when possible, so please make sure your child is bringing a water bottle every day and has appropriate shoes. I'm looking forward to a fun filled month with learning, playing and our Volcano Day at the end of the month! Have a great rest of the summer!—Ms. Amanda

Dragons...

It has been a great summer, we have 2 more teenagers, Tanner and Cole have crossed the threshold into teendom! Yay!!!

We are better understanding Wellness as a whole and connecting how we feel with our emotional and social health. We are wrapping up our sleep habit unit and rolling into social health, choices, and filters. With this, we have decided to make our classroom a device free zone. Students' phones, tablets, ect. will remain in their lockers, they can check it for a minute at lunch. If you need to contact them, please call/text the school phone and Ms. Melissa will let us know. There hasn't been any misconduct with the students, we just honestly have more important things to do during our school day than police the student's cell phones.

Looking forward to a great month wrapping up an amazing summer. —Ms. T & Mr. C

Dragonflies...

Happy August Dragonfly families! I hope that everyone's July was just as wonderful outside the classroom as it was inside! We are welcoming 3 new friends this month: Athena, Violet and Everett. We are so excited to meet these new friends. In class, we have had lots of fun learning letters and numbers with fun activities, such as dinosaur egg cracking, goldfish counting, and fun art projects. A big focus this past month has been solidifying writing and recognizing our names, which will continue this month. Every student has already shown growth! August is the last month of Summer Session. I am so happy for all the fun we have coming up. Have a great month!—Ms. Paeyten

Tiger Sharks...

Happy August Tiger Shark Families! We are having a wonderful summer in our Tiger Shark classroom. The 50 states project is in full swing and our class is having so much fun "Touring the States" together! We are also continuing to practice handwriting skills, we've learned about units of measurement and in the last few weeks, we have been working on telling time. Ask your Tiger Shark what they learned about today! Get ready, get set...Volcano Day is coming up!—Ms. Mel

Great White Sharks...

We have had such a wonderful summer so far, and I cannot believe it will be coming to an end soon! This summer has just flown by. It has been especially fun welcoming back students who were with us last year and seeing how much they've grown. This month, we will continue practicing our multiplication facts, taking our weekly spelling tests, and exploring ancient civilizations and astronomy. We have also been loving music class with Ms. Teresa as we prepare for our fall musical. We are hoping to take a trip to the park later this month, so please keep an eye out for more information that will be sent home soon. We're looking forward to another great month!—Ms. Kara
